We will also try to send out emails or phone messages regarding any unscheduled closings. Should more than one week of classes be missed due to inclement weather, make-up classes will be scheduled.

ATTENDANCE:

Weekly attendance is essential for progression in dance. Tardiness and excessive absences are inexcusable and not tolerated. To be fair to all students, class time will not be used to review missed material. After January 1, all students will be responsible for learning the choreography for our end of year recital. Excessive absences could result in a student being eliminated from portions or all of the choreography. Even though it is important for students to be in class every week, please do not bring a student to class if they are sick.

TUITION POLICY:

Full season tuition is broken down into either monthly or quarterly installments for your convenience. First installment (nonrefundable) is due at time of registration. All remaining installments are due by the 1st of each month (October through May) with a grace period of 5 days. A \$20 late fee will be applied to installments paid on and after the 6th of each month. After 2 months of non-payment, a child could be denied access to class until tuition is up-to-date. Tuition paid is non-refundable.

Once registered, tuition installments will be charged each month (October-May) unless proper withdrawal notice is provided. **If a student decides to quit his/her class(es) after the session has started, you are responsible as the child's parent or guardian to let us know in writing that the child has quit.** A class withdrawal form is available on our website, on the Parent Portal or at the front desk. Withdrawal forms must be completed and signed by the person whom signed the registration form. They must be received by DSOD staff prior to the 1st of the month in order to stop further tuition installments. You will be responsible for any installments charged prior to receipt of a withdrawal notification regardless of attendance. No refunds are given for non-attendance. Credits may be applied toward another class, sibling or season.

Any tuition and fees not paid in full by May 5, a 10% interest will be charged each month outstanding. Any student with an outstanding balance will be unable to register for the next season until paid in full.

Half of the costume money is due by November 1. A \$20 late fee will be applied if not paid by November 5. The second half is due by December 1. NEW PROCEDURES DUE TO COVID-19:

The COVID-19 pandemic has forced the Deborah School of Dance to put in place some additional procedures and requirements to meet all CDC and State Guidelines to keep everyone safe and healthy while continuing to provide dance education to our students. These new procedures and requirements will be in place as long as the pandemic continues. These procedures are subject to change based on State requirements.

- No one with a fever, symptoms or known exposure of any illness is allowed in the dance studio.
- The water fountain has been turned off. Dancers are allowed to bring water bottles or other sealed drink containers to class as long as they contain only water.
- It is requested that dancers bring only a dance bag with their shoes and a water bottle to class. Everything a student brings, with exception of the water bottle, must fit in their dance bag.
- During colder weather, it is requested that students wear a sweatshirt or thin jacket instead of a large winter coat so that it will fit in the dance bag. Students may also leave their jackets/coats or other belongings with a parent while they are in class.
- Temperature checks may be conducted upon entering the studio. Persons who have a fever of 100.4 or above or show visual signs of illness will be asked to leave.
- Teachers may at any time during class, ask any or all dancers to wash their hands if they feel it is needed.
- Classrooms are cleaned and sanitized as-needed in-between classes. Where there are combo class (for example: ballet and tap), classrooms will be cleaned at the end of the combo. This includes cleaning all handles, cubbies, and anything that students or teachers may come in contact with. All gym mats will be cleaned and sanitized after each class.
- It is the responsible of the dancer's parent or guardian to inform the Deborah School of Dance if a dancer, anyone in the their household or anyone they have been exposed to has tested positive for any communicable illnesses, to include COVID-19, flu, strep, chicken pox, etc. This notification must be provided as soon as possible after positive test results. Dancer and family must not return to class until they have either been released from care by their doctor and show no signs of illness OR have served the recommended quarantine period and show no signs of illness.
- The Deborah School of Dance will promptly notify parents if a dancer has tested positive for an illness. Due to privacy laws, no names will be released, only that someone has tested positive and the type of illness. The studio, at its discretion, may cancel classes for a period of time if there are multiple cases of an illness.
